Dear Doc:

Due to the uncertain situation at the colleges, The P. Lorillard Co. has decided to cancel the "Old Gold Campus News". Our contract with them stipulates that in case of cancellation, two weeks notice must be given. Therefore the contract will terminate with the March 5th broadcast. All broadcasts through March 5th must be carried out as scheduled.

In recent discussions with the Army, it has been suggested that the college stations contact the Commanding Officer on each campus, and offer the use of station facilities for certain periods of the week. With this type of cooperation, the Army or Navy may be able to secure, at no charge to the station, replacement parts or new equipment which might be needed for successful operation.

At the present time the IBS is in the process of organizing a program series of outstanding speakers. The IBS network shows will take place at some time between the hours of 8 and 9. If any arrangement is made with the Army or Navy, it might be well to keep this in mind.

Please keep us informed of any new developments.

Sincerely,

Louis
